

EPOS

# ADAPT 500 Series

The 2nd generation ADAPT 500 features a new headband and softer earpads for long-term wearing comfort. A foldable boom arm optimizes voice pick-up while ANC reduces background noise. Switch between two Bluetooth® devices using multi-point connectivity and benefit from up to 41 hours of talk time.

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products. During the transition period the same product may exist in both versions

# Key Features

## Concentrate anytime, anywhere with ANC

4 ANC microphones reduce background noise to increase work focus, together with plush ear pads for good sound isolation

## Get clearer calls on demand

The sleek, foldable boom arm and 2 advanced microphones optimize voice pick up for clearer office and mobile calls

## Slide the boom arm away for a sleek look

The smart and practical boom arm design seamlessly integrates into the earcup and can be retracted when not on a call

## Enjoy all-day wearing comfort

Low impact headband and softer earpads remove potential pressure points ensuring a comfortable fit in the office or on the move

## Ensure clear calls with UC certified solution

Certified for Microsoft Teams and optimized for UC
