## Audio performance you can trust

Maximize focus and productivity anywhere with a stylish EPOS x Aston Martin F1™ Team co-branded headset. Powered by EPOS AI™ for crystal clear communication, the headset has adaptive ANC, superior stereo sound and microphones enhanced by machine learning. This is uncompromised audio for those who live life in the fast lane.

Adaptive ANC enables concentration enhancing both team performance and individual achievement by monitoring the working environment and adjusting noise reduction accordingly, even reducing wind noise when outdoors.

Connect simultaneously to mobile and PC and jump straight into collaborative work via the dedicated Microsoft Teams button. Whether trackside, working on-the-go, or at home, the ADAPT 660 AMC boosts efficiency and improves wellbeing, making it an essential audio tool for Aston Martin F1™ Team fans.

EPOS is proud to be the Global Audio Partner of the Aston Martin Aramco Cognizant Formula One™ Team.
